2025 Snow Survey Schedule

The NH Department of Environmental Services, Dam Bureau (NH DES) anticipates following the schedule outlined below for the 2025 snow survey schedule.

The surveys start January 7 and will continue every other Tuesday until there are no longer concerns about the snowpack.

January 07
January 21
February 04
February 18
March 04
March 18
April 01
April 15
April 29

This schedule is being conducted in conjunction with the Army Corp of Engineers (ACCOE), the National Weather Service (NWS), NOAA, and the USGS schedules.

Our snow surveys are located online at [Real-Time Data & Information for Watersheds in New Hampshire](#) and will be posted the day following the survey.
