

2026 Snow Survey Schedule

The New Hampshire Department of Environmental Services (NHDES) Dam Bureau anticipates following the schedule outlined below for the 2026 snow survey schedule.

The surveys start January 6 and will continue every other Tuesday until there are no longer concerns about the snowpack.

January 06
January 20
February 03
February 17
March 03
March 17
March 31
April 14
April 28

This schedule is being conducted in conjunction with the United States Army Corps of Engineers (USACE), the National Weather Service (NWS), the National Oceanic and Atmospheric Administration (NOAA), and the United States Geological Survey (USGS) schedules.

Our snow surveys are located online at [Real-Time Data & Information for Watersheds in New Hampshire](#) and will be posted the day following the survey.
